Legislative and Regulatory Mandate

The AIRB was established on October 1, 2004 under Section 599(1) of the *Insurance Act* (the Act). On November 27, 2013, the “Enhancing Consumer Protection in Auto Insurance” Act was passed, updating the Act and the supporting Automobile Insurance Premiums Regulation (regulation). The changes to the Act and regulation came into force on July 1, 2014. The mandate of the AIRB is defined in the Act and the regulation and includes the duty to:

- submit an annual report to the Minister on the operations of the Board;
- review and approve all rating programs for new insurers licensed to sell automobile insurance in Alberta;
- review and approve any changes to existing insurer rating programs for insurers licensed to sell automobile insurance in Alberta;
- conduct an Annual Review of automobile trends and premiums relating to basic and additional coverage for private passenger vehicles;
- conduct an open meeting each year to receive comments from the automobile insurance industry, the consumer representative and the public; and
- exercise and perform any other powers and duties assigned to it by the Minister or prescribed by regulations.

Base premiums are defined in the regulation as “the premium determined under Schedule 3 for basic coverage for 12 months, or if for a period of less than 12 months, an amount prorated accordingly”.

The current Grid base premiums are listed in Appendix A. The relevant sections of the regulation are listed in Appendix B.

Section 3(1) of Schedule 3 of the regulation also stipulates the Board may adjust the base premium based on the annual review conducted under Section 9 of the regulation. The ratemaking components that the Grid adjustment is based on, are found on the AIRB website at <https://airb.alberta.ca/industry-information/annual-review/2019/>, titled “Industry Private Passenger Vehicle (PPV) Benchmarks Schedule”.
