

Notice of Open Meeting

The Alberta Automobile Insurance Rate Board (AIRB) will be holding its annual stakeholder consultation meeting on August 18, 2015 to review automobile insurance trends and premiums relating to Basic and Additional coverage for private passenger vehicles. The purpose of this meeting is to establish Industry Benchmarks to be used in the review of insurer's filings for Basic and Additional coverage effective October 1, 2015.

The Board's mandate is to regulate Insurer rating programs for Basic and Additional coverage. No Insurer may charge a premium unless it is based on a rating program approved by the Board.

Presentations will include the AIRB's consulting actuary, industry stakeholders and a report from the Board's Consumer Representative.
