

ANNUAL REVIEW NOTICE OF OPENING MEETING

The Automobile Insurance Rate Board will be holding an open meeting to review Alberta Industry loss experience for private passenger vehicles to establish its 2017 Industry Benchmark Schedule to be used in the review of insurer filings **for basic and additional coverage**.

Presentations will include the AIRB's consulting actuary, industry stakeholders and a report from the Board's Consumer Representative.

The Board's mandate is to regulate Insurer rating programs for Basic and Additional coverage. No Insurer may charge a premium unless it is based on a rating program approved by the Board.

There are **3** ways to participate in the Annual Review:

1. By presentation:

To make a presentation during the meeting, interested parties must submit a letter of intent by July 7, 2017, followed by a written submission to the Board by July 21, 2017.

2. By written submission:

A written submission must be forwarded to the Board by July 21, 2017.

3. By contacting the Consumer Representative:

Share your concerns regarding automobile insurance premiums by contacting the Consumer Representative by July 21, 2017.
