Subject: Board Appointments

The AIRB is announcing the appointment of four new Board members.

Individuals are appointed to the AIRB for terms of two to three years and can serve up to three terms. Individuals appointed when the Board was formed in 2004 recently completed two terms. Sound succession policy required some turnover to ensure the Board would continue to have experienced members with a range of expertise who are drawn from various regions of the province.

Board appointments were renewed for:

Alf Savage, Chair

Harry Gough, Vice Chair

Lewis Klar

Merle Taylor, Consumer Representative

The Board welcomes new members:

Allan Cleiren – business executive with financial background from Edmonton

James Cuming – personal injury lawyer from Calgary

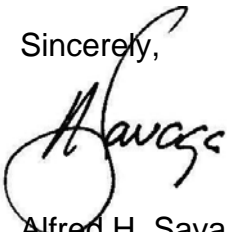

Chris Daniel – retired insurance executive residing in Calmar

Jim Murta – retired actuary from Calgary

The Superintendent of Insurance sits as a non-voting member.

The Board looks forward to continuing to fulfill its mandate with its slate of reappointed and new members. Biographies for returning and new members are posted on the AIRB website at airb.alberta.ca/about/board_members/.

Sincerely,

Alfred H. Savage
Chair
